Easy-to-play, clean interface, and lots of fun features! Love the good old days - a time when board games used to be part of the daily ritual. With Ludo King, the iconic game is a well-deserved comeback. Just roll the dice in order to move around, and you can get a lot of rewards while feeling the rush to beat your friends. The application organizes the 'League' every few days. This gives you the chance to earn coins, gems, and a few other rewards. Clean and simple interfaceMade popular application board games such as words with friends and Mini Metro. Ludo King has the cleanest interface. Once you start the game, just roll the dice on the turn. Just click on the token you want to move and plan a strategy to bypass the other player(s) to reach 'home'. Whoever made 4 chips 'at home' first wins the game! On the Start screen there is an option to switch between Ludo and Snakes & Ladders. The game for both games is simple and automatic. All you have to do is roll the dice and move the token. If you don't have more than one stroke, your computer automatically moves the token. More ways to play unconscious board games, Ludo King app download allows you to play with people from all over the world. Integration with Facebook allows you to invite friends to download Ludo gaming applications. Since the android game is based on an auto-move system, there are no cheat codes in advance in Ludo King.With 'Vs Computer' game mode, you can play the game for two or four players against the computer. Because it's offline, you can play comfortably on your Android or iOS device without an Internet connection. While the computer matches your playback style, it does not 'cheat'. Local multiplayer mode is available, allowing you to play against two or four friends on one smartphone. However, after each step, you'll need to hand over the device to one person to another. 'Online Multiplayer' mode is the most popular game mode among fans of the game. It allows you to connect with an online server that allows you to play with strangers from different parts of the world. In this mode, the game is played in real time. Last but not least, Play with Friends mode allows you to create a private room where up to four people can enjoy the game. To start a game, you need to send an invitation via Facebook or WhatsApp so your friends can join the room. Many of the features that get you engagedLudo King comes with a wide range of features, so the application wiring and entertainment. It allows you to chat with friends, challenge people from all over the world, and add up to six players to get on board. It's one of the biggest reasons for the success of the game. Since its release, this game Ludo has been downloaded more than 100 million times. Thanks to the addictive and nostalgic gaming experience, the user base is constantly growing. Includes Snakes & LaddersWhile just Ludo download could have been enough to keep players engaged, the app includes a version of Snakes & Ladders right on the 'Home Screen'. Like traditional board games, the version of the app requires you to move the token from 1 to 100. On the way, you can advance using a ladder, but you need to jump over snakes that push you lower on the board. Simply put, while ladders act as shortcuts, snakes are a medium to make you play. Like Ludo King, Snakes & Ladders is free to play. However, you can buy a few more cube rolls in advance quickly. In-app purchases are quite common in game apps, and this isn't different. While shopping will help you win the 'League' in Ludo King or advance quickly in Snakes & Ladders, they can be quite expensive. Another problem you will encounter is the problem with heating. While playing a game for too long, the device may warm up, making it difficult to continue. As with other game categories in apps, it's better to play Ludo King for a few games before doing your smartphone a little rest. If you have always been a fan of board games, Ludo King for Android will be a wonderful experience. With a clean interface and lots of features the game does not disappoint. In addition, it allows you to connect with people from all over the world. You can play, chat and engage with a wide user base on two different games within one app. Great app to ward off boredom!
